

## Feasibility Study for Municipal Water and Sewage Servicing in the Township of Puslinch

### Council Meeting

Council for the Township of Puslinch at its meeting to be held on **Wednesday, June 20, 2018** will consider a **Feasibility Study** to assess the viability of implementing municipal water and sewage services within key areas of the Township.

The adjacent map shows the Study Area for this project, which encompasses the key areas to be considered in the Feasibility Study for municipal servicing.

The **Feasibility Study** will be listed on the **May 16, 2018 Council agenda for information only**. You may access the feasibility study through the following link: <http://calendar-puslinch.icreate5.esolutionsgroup.ca/>

The **Feasibility Study** will be included on the June 20, 2018 **Council** agenda for consideration by Council. You may access the feasibility study through the following link: <http://calendar-puslinch.icreate5.esolutionsgroup.ca/>

You may also obtain a printed copy of the **Feasibility Study** at the Township Office, 7404 Wellington Road 34.

The Council meeting where the Feasibility Study will be considered will be held on:

**Wednesday, June 20, 2018 at 7:00 p.m.**

**Puslinch Community Centre  
23 Brock Road South, Puslinch**

### Delegation Request

If you wish to register as a delegate please complete a request to delegate form and submit it to the Township by June 13, 2018. The delegate request form and information on how to delegate can be found on the Township's website using the following link: <http://www.puslinch.ca/en/our-government/delegation-information.asp>

If you have any questions about the Council meeting or wish to obtain more information on the project please contact:

Karen M. Landry

CAO/Clerk
